

4th October 2022

Join us at Land Forces 2022

Join us at the region's premier international land defence exposition as we showcase the latest advanced electronics solutions for the industry.

We're back for one of the largest international land defence expositions in the region. A proud partner of the trade show, come join us at Land Forces 2022 and hear about our advanced industry solutions.

- What: Land Forces
- When: 4-6 October 2022
- Where: Brisbane Convention & Exhibition Centre, Queensland, Australia

Land Forces is the region's premier international land defence exposition, showcasing equipment, technology and services for the armies of Australia and the Indo-Asia-Pacific.

A premium platform for engagement, Land Forces 2022 will incorporate a specialist conference program, industry exhibition and networking functions as prime opportunities for engagement in the interests of defence capability.

The comprehensive conference program will run on all three days of Land Forces 2022 and will present leading experts in their fields covering topical land defence issues, innovations, program updates and visions for the future.

The show also includes an industry exhibition with more than 600 participating companies and formal business-to-business networking programs and events.

You will find us at **stand GJ20** - in the Great Hall.

In addition to seeing our products and services, you can meet our passionate team and learn about our recent advancements and investments in support of the global defence sector.
