

15th November 2022

Join us at the Anaheim Electronics and Manufacturing Show 2022

Join us as we showcase the latest advanced electronic design and manufacturing solutions at the Anaheim Convention Center in November 2022.

The sister show to the Del Mar Electronics and Manufacturing Show, this month kicks off the inaugural Anaheim Electronic and Manufacturing Show (AEMS) held at the Anaheim Convention Center, California. We're a proud partner of the trade show and will be joining a number of other innovative exhibitors keen to discuss the latest trends and challenges in the industry.

Come join us at the flagship AEMS 2022 and hear about our advanced industry solutions.

- What: Anaheim Electronics and Manufacturing Show
- When: 16-17 November 2022
- Where: Anaheim Convention Center, California, USA

You will find us at **stand 419**.

In addition to seeing our products and services, you can meet our passionate team and learn about our recent advancements and investments in support of the electronics design and manufacturing sector.

More information.

For more information on AEMS visit <https://www.anaheimshow.com>

For further information on how we can support you or to book an in-person meeting with us on the day, please contact:
